# THE KINGDOM BUILDERS COMMUNITY

So that all may hear through our YES...

*We are not those who shrink back,... but those who have faith. Hebrews 10:39*

Just for a moment, think about the reason you are a follower of Jesus. Think about why you are committed to saying YES to God...

Think who you have become through Him and the changes He has made in your life. He is always there in times of struggle and times of peace. Your life is secure because of the perfect love of a Savior who knows you by name. The undeserved goodness and kindness received from the heart of God set our hearts in motion. God is deeply personal and loves you so much!

Forty-two percent of the world does not have access to knowing Jesus. Forty-two percent of the world translates to over three billion people who have not experienced the true hope, love, peace and eternal life found in Jesus. Not only have they not experienced the hope of Jesus, they are not even aware it is available.

Picture the one—the man in Bulgaria, the little girl in Ecuador, the widow in Scotland, the neighbor across the street—all created in the image of God to become Wide Awake to His love and Fully Alive to His purpose.

The greatest gift in the history of all mankind is the gift from God of His son, Jesus. This gift of grace is limited only by access to the Truth and our Yes.

This is the reason for Kingdom Builders.

## KINGDOM BUILDERS GIVING SUPPORTS THREE AREAS:

### 1. GLOBAL MISSIONS

Jesus commands us to go into all the world and preach the Gospel, making disciples of all nations. cfa church gives 10% of the church's general tithe to missionaries and missions organizations, and through Kingdom Builders gives above and beyond. As of January 2020, over 120 missionaries are financially supported by cfa church. Kingdom Builders gives us the opportunity to support key missions projects such as providing humanitarian aid, church planting, vehicles, resources, and pastoral development. Everyone, in every nation, deserves a chance to hear the Gospel.

### 2. LOCAL CHURCH EXPANSION

Jesus tells us in the Gospel of Matthew, "The local church is the light of the world." Kingdom Builders is committed to funding the growth of the church locally through expanding our own locations, planting life-giving, Spirit-filled churches in our communities, and ministering to the hurting in our own backyards. We do not do this for comfort, extravagant buildings, or praise, but to help more lost people to personally know a loving Heavenly Father.

### 3. FUTURE CHRISTIAN LEADERS

We are committed to raising up the next generation. They are the church of today and the church of the future. Paul wrote in the New Testament to Timothy, a young leader, encouraging him to set the example in speech, conduct, love, faith, and purity. Kingdom Builders raises up our future Christian leaders to foster a love for the Bible, God, and the lost and inspires them to change the world. Our Kingdom Builders partnerships work with organizations that care for the physical and spiritual needs of our future leaders from birth through those beginning their career. We want the next generation to be inspired to serve, give, and love more.

# THE HISTORICAL IMPACT OF KINGDOM BUILDERS

For many years, cfa church has raised money for buildings and raised money for projects and raised money for missions, all separate from one another. We realize there has to be a better way to do more than just build buildings and raise money for projects. These are very important, but we are on a mission for more than buildings and projects – we are called to reach the world for God!

It is our desire to do more to build the Kingdom of God. We can do something globally on a grand scale; we can do something locally on a grand scale; we can do something for future Christian leaders and invest in the next generation.

It's more than money—it's mission, it's people, it's making a difference. See the people around the globe, that need to hear the gospel for the first time. People's lives are being changed!

We invite everyone to be a part of the Gospel life change that's taking place in people's lives globally, locally, and inside the hearts of our future leaders through Kingdom Builders. Now is the time to step into the Yes – step into giving, step up to generosity, and step out in faith. There is a supernatural power when everyone is involved.

**Everyone is part of this vision.**  
**How will you make a difference in 2020?**

**STEP IN**

Step in for the first time - begin giving to Kingdom Builders today, why wait?

**STEP UP**

Step up to new levels of generosity – increase your commitment to what God is doing through the Kingdom Builders community and lead the way!

**STEP OUT**

Step out in faith – reach further than you ever imagined and watch how God takes you on an adventure of generosity and faith!
